St. Mary's Medical Center North Pre-Admission Clinic

St. Mary's Medical Center North Pre-Admission Clinic

Now you can complete all evaluations and testing required before surgery at St. Mary's Medical Center North. Pre-operative history and anesthesia evaluations, blood work, X-rays and other imaging procedures are all provided by our registered nurses and technologists. You can also complete your pre-surgical registration so that on the day of your procedure you only need to arrive at St. Mary's Medical Center North on time.

It's simple, convenient and close to home... with free parking and no waiting.

Special Instructions

- Park near the main atrium entrance at the center of the building (marked Women's Center, Imaging, Physicians' Plaza). Parking is free.
- Bring your medication list.
- Check in at the Registration Desk. (You will be escorted to the clinic after you have registered.)
- If your physician gives you any papers (instructions or orders), bring them with you to the clinic.
- Your hospital chart will be complete by the end of your visit.

Pre-admission Clinic

A visit to the clinic gives you an opportunity to have necessary tests completed as well as a chance to ask questions, get answers, and share your concerns. Allow one hour for the entire visit.

Personalized services

Registration

Admission information will be obtained to register you as a patient, if the paperwork was not completed by telephone. After a stop at the Registration Desk, you will go directly to the Pre-Admission Clinic.

Laboratory

You may have blood drawn, chest X-rays and/or EKG (heart tracing) performed during your visit to the Pre-Admission Clinic.

Anesthesia Evaluation

When appropriate, you will be seen by an anesthesiologist via web conference.

Instructions

Bring your medication list with you for the nurse to review and place on your chart. You will learn more about your surgery and recovery.

Where is the clinic?

The Pre-Admission Clinic is located at St. Mary's Medical Center North in Powell, TN. Take I-75 to the Emory Road exit. Turn east on Emory Road. The facility is located on the left at 7551 Dannaher Way. Enter through the main building atrium.

The clinic is open Monday through Friday from 8 a.m. to 4 p.m.
