IN MAKING A DIFFERENCE

Make a positive impact in our communities

Mercy Serves AmeriCorps is an 11-month service learning program, where Members support patients experiencing substance use disorders, mental health challenges and social needs in Mercy Health Emergency Departments across the Cincinnati & Springfield region.

- Provide compassionate support to patients and families, connecting them to community resources.
- Develop real-world experience working in a fast-paced clinical environment.
- Program Benefits Include: Professional Development, a Living Stipend, & an Education Award at the end of service.

The program runs September 2026 to August 2027 and a High School diploma/GED required.
