CLASS DESCRIPTIONS

Bodied By Ava Bootcamp A type of group exercise/ interval training class that mixes traditional calisthenics and body weight exercises with interval training and strength training. Programs are designed to build strength and fitness through a variety of types of exercise and calisthenics, such as pull-ups, pushups, lunges and crunches, as well as drills and sprints. We will incorporate bursts of intense activity alternated with intervals of lighter activity. This high-energy, sweat-inducing class will help you lunge, jump, push and pull with more power and endurance. Sequencing varies with the use of weights, steppers, jump ropes, medicine balls, slam balls, etc. and we will venture outside. Suitable for ALL fitness levels. Equipment is available on site.

Glutes and Gams is a class that focuses on glute activation. Suitable for all levels, weights and bands are used

Guns and Guts is a class focused on building of muscle strength in the arms and mid-section. Suitable for ALL fitness levels as modifications are available. Equipment needed: exercise mat, dumbbells (whatever size that is appropriate for the fitness level of each participant)

Chair Chi is a gentle exercise program to help people to receive the benefits of the traditional Tai Chi Chun in the comfort and safety of their chair. Suitable for all level.

Cardio Plus is a low impact fitness class that includes functional movement, aerobic exercises, and strength/resistance training with very light weights and resistance bands. Suitable for ALL fitness levels. Equipment is available on site.

Chair Aerobics/Senior Aerobics is an aerobic workout with emphasis on improving cardio and strengthening muscles for participants who may have certain physical restrictions or limits in a traditional setting. We use chairs, weights, and resistance bands partnered with an upbeat playlist to make class productive and enjoyable. Suitable for ALL fitness levels. Equipment is available on site

Core/Cardio Craze In this class we will work our Core with exercises to improve your balance and stability. Core exercises also train the muscles in your pelvis, lower back, hips and abdomen to work in harmony. Use of body weight exercises, for example squats, jumping jacks, lunges, punches, planks, push-ups etc. to get the heart rate up and burn calories. Will use chairs or mats for intensive core work. However, many core exercises don't require specialized equipment.

Dance Fusion is an intermediate aerobics class with emphasis on improving flexibility, cardio-vascular strength and muscular strength via a variety of dance genres. It is a combination of Zumba fitness, Hip Hop, Jazz, Vogue, Majorette, Line Dance, ballroom, and stepping. The instructor fuses all of these dance genres into an hour of fitness that is both effective and exciting. Suitable for ALL fitness levels. Equipment needed: none.

Early Morning Intensity 30 minutes of work. Stepper/bench and weights and risers. HIIT step constant movement in circuits that will burn calories, build and tone muscle.

Fitness Walking/Old School Fitness walking is a 60-minute class where participants can walk the circumference of the gym at their own pace while socializing with others or on their own. It is also an opportunity to walk with the instructor one on one and get advice and answers on anything health and fitness related. Great way to get those daily steps in in a safe environment. Suitable for ALL fitness levels. Equipment needed: none

Hatha Yoga Hatha yoga is a powerful tool for self-transformation. It asks us to bring our attention to our breath, which helps us to still the fluctuations of the mind and be more present in the unfolding of each moment. This is a slower-paced, gentle yoga that has been proven to help to relieve stress, support healthy habits, improve emotional health, ease back and arthritis pain, and even help people quit smoking.

It Feels Good Urban Line Dancing This class is a fun and an exciting way to dance your way to good health! The instructor will teach you low, moderate and high energy line dance routines and will help you burn calories at the same time. It's a fun way to exercise and it will free the dancer in you! No partners needed--perfect for singles! Suitable for ALL fitness levels. Equipment needed: none

Kick-Butt Kettlebell Kettlebell class/training uses dynamic moves using whole-body exercises to deliver cardio, strength, and flexibility benefits in a short amount of time and can be beneficial for anyone no matter the level of fitness. Kettlebells come in a range of off-centered weights (5lb-30lb) and a workout includes different movements such as the deadlift, swing, squats, halos and orbits. More advanced movements can be incorporated in time. Suitable for ALL fitness levels. Equipment is available on site

Urban Ballroom Dancing is a 2-hour class. A partner dance style which combines the Cha Cha with an Urban Flavor, bringing Ballroom dancing to the next generation. Urban Ballroom is about rhythms and mixing styles & movements to create something new and unique every time.

Line Dancing is a Soul/Urban line dance class. This class is a fun and an exciting way to dance your way to good health! The instructor will teach you low, moderate and high energy line dance routines and will help you burn calories at the same time. It's a fun way to exercise and it will free the dancer in you! No partners needed--perfect for singles! Suitable for ALL fitness levels. Equipment needed: none
