

Mercy HealthPlex

Weather Policy

The status of Mercy HealthPlex facilities, programs and services is based on the level of weather alert issued by the county. (Please note that Anderson, Downtown and Western Hills are in Hamilton County, Fairfield is in Butler County and West Clermont is in Clermont County.)

For consistency, members and employees should find the Weather Alerts on the WCPO website at wcpo.com. Click on Weather, then click on Weather Alerts to find the current level issued. The HealthPlex and our programs and services will operate as follows depending on the level of weather alert issued:

Level 1 HealthPlex Open
Programs and Services Offered as Normal
Staff to Report as Normal
Instructors to Report as Normal

Level 2 HealthPlex Open
Programs and Services Cancelled
(Instructors may elect to have programs, but members are not required to attend.)
Non-Instructional Staff to Report as Normal
Instructors Not Required to Report to Work

Level 3 HealthPlex Closed
All HealthPlex Staff NOT to Report to Work

Emergency Levels are found at wcpo.com. Click on Weather then click on Weather Alerts.
